

Years of Innovations

Product Guide

Celebrating 20 years

Since 1996, Healthpoint has been supplying health and beauty products to the retail sector.

Our Portfolio

Healthpoint prides itself on sourcing innovative solutions and delivering unrivalled levels of customer service.

Developing products from concept to distribution, we have an extensive portfolio of Healthpoint products and also work with major retailers to develop own brand label items.

Why choose Healthpoint?

Dedicated Account Management

Finding the right solutions, order processing, queries, management information, billing, on-site support. We provide a comprehensive service.

Logistical Excellence

Our warehouse and logistics centre work to the highest standards to get deliveries to you when you want them.

Our People

Our dedicated and experienced team include technical, marketing, NPD specialists and in-house graphic designer.
